Good morning Jean!

My primary task for the week is to complete my letter for the FEIS for the Point Reyes National Seashore General Management Plan Amendment; I'm hoping to have a letter to you by the end of today or early Wednesday. I will also continue my review of the FEIS for the East San Fernando Valley Transit Corridor Project.

Besides my team meetings, I have the All Hands Meeting on Reopening, the REAT Managers' call, and the TIP Division Managers' Meeting on Tuesday morning; our PARS end of year discussion on Wednesday morning; and the national NEPA call and OPA Communications Meeting on Thursday morning.

Just a heads up that I may be late to the TIP Division Managers' Meeting depending on how long the REAT call goes this morning.

I plan to work 7:00 to 4:30 or 7:30 to 5:00 each day.

Thank you,
Jason
